The Leonardville Base Ball club is here, and the Fairfield and Eskridge clubs will and the Fairheid and Eskridge clubs will come to-morrow.

Competent judges pronounce our half-mile track an unusually good one and to-day's races attracted many people.

In the three-quarter of a mile dash running race a serious accident occurred. Clarence Munch, of Burilagame, a 10-year-old lad, was riding Ned Jackson, when he flew the track and ran in among the

shade trees where the rider was thrown off and severely injured. The horse went over the hedge fence that surrounds the grounds and out into the commons. Pears were at first entertained that the accident would prove fatal, but to-night the boy is resting easy. The physician says no bones are broken and it is believed he may soon recover.

The pension laws provide that soldiers who have lost a leg at the hip joint or an arm at the shoulder joint in the service of the country shall be entitled to pensions at the rate of \$37.50 per month. It has been the custom of the pension department to construe this haw strictly. There are less than a dozen cares on the pension rolls in which the amputation has taken piace exactly through the joints mentioned. Commissioner Black, in ruling upon two test cases to-day brought before him declines to hold to the strict letter of the law and allows the full amounts of pension, though the amputation did not take place at the joint. He held that if the amputation is so near the hip or shoulder as to render the stump unserviceable, the pensioner is entitled to the same compensation of a store of the law and allows the full amounts of pension, though the amputation did not take place at the joint.
